

BRANDING AND DESIGN SPECIALIST

PERSONAL PORTFOLIO

2026 -

An abstract, dynamic splash of dark blue ink or paint against a white background. The splash originates from the top right and spreads downwards and to the left, creating intricate, swirling patterns and textures. The main body of the splash is dense and dark, with lighter, wispy trails extending upwards and to the right.

ABOUT ME

Salomon Katula Ngombe, visual communication specialist with over 10 years of experience producing high-impact design, multimedia, and branded content for humanitarian and international development organizations across Central Africa. Fluent in French and English, he bridges the gap between complex programmatic evidence and the audiences who need to understand it — donors, policymakers, communities, and the media. His work spans annual reports, infographics, campaign materials, video production, web App Development and digital content, all grounded in a deep understanding of the humanitarian contexts in which they operate.

Proficiency in design software and technical skills

MAGAZINE DESIGN

D aucuns ne manquent de dire que ce magazine de la vie, de la culture, de la formation de l'homme, sur le plan moral, intellectuel, social que physique.

Ce magazine se veut être :

- Un appui à la communauté de l'œuvre ou de la mission de Christ.
- Un appui au développement intégral de l'homme.
- Un carrefour relationnel basé sur l'excellence dans tous les aspects de la vie courante.
- Un leitmotiv pour l'éveil de la conscience humaine en lui faisant valoir les valeurs sûres qui le rendront utile et productif.

Le monde, enfin, ne manquera pas de bénéficier dans chacun des aspects de nos besoins qui cadrent avec les progrès utiles à l'homme, car le battant de son cœur l'impulse à être une grande opportunité pour le changement.
